Response of Goulston Technologies, Inc. to December 15, 2003 Request for Information

Wells G and H Superfund Site - Woburn, MA

**BUSINESS CONFIDENTIALITY ASSERTED AS TO ATTACHMENT 2 - 40 CFR § 2**

1. General Information about Respondent

Period of Investigation: 1950 - 1985

a. Name/Address

**Response:**

Goulston Technologies, Inc.  
PO Box 5025  
Monroe, NC 28111-5025

Legal form: corporation  
State of Incorporation: Delaware  
Business Description: manufacturer of fiber lubricants

Respondent is successor by merger to

George A. Goulston Company  
1000 Crescent Boulevard  
Scituate, Massachusetts 02066

Legal form: corporation  
State of Incorporation: Massachusetts  
Business Description: manufacturer of fiber lubricants

and

George A. Goulston Co., Inc.  
700 North Johnson Street  
Monroe, NC 28110

Legal form: corporation  
State of Incorporation: North Carolina  
Business Description: manufacturer of fiber lubricants

b. Persons Answering on Respondent's Behalf

**Response:**

Alan Gold - VP- Finance  
Veronica McKinney - HSE Manager  
Mike Newsome - Accounting Manager

Goulston Technologies, Inc.  
PO Box 5025  
Monroe, NC 28111-5025  
704 289 6464

c. Contact Person for Respondent

**Response:**

Veronica McKinney - HSE Manager  
Goulston Technologies, Inc.  
PO Box 5025  
Monroe, NC 28111-5025  
704 289 6464

d. Other Region 1 Superfund Sites

**Response:** None

2. Respondent's Legal Status

Period of Investigation: 1950 - 1985

Persons Providing Information

Alan Gold and Mike Newsome - see response to question 1.

a. Prior Names and Use of Same

**Response:** George A. Goulston Company; 1969-1995

b. Corporate Information

i. date of incorporation

**Response:** 1988

ii. state of incorporation

**Response:** Delaware

iii. service agent

**Response:** Alan Gold (see address above)

c. Entity other than Corporation

**Response:** not applicable

d. Affiliations during Period

**Response:** none other than the Goulston entities identified in response to question 1

e. Predecessors-in-interest

**Response:** none other than the Goulston entities identified in response to question 1

f. Transaction Information and Documents

**Response:** See Attachment 2 - **BUSINESS CONFIDENTIALITY ASSERTED - 40 CFR § 2**

g. Bankruptcy

**Response:** not applicable

3. Respondent's Operations

NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.

ALSO NOTE: All questions in this Section refer to facilities owned or operated by the Respondent within Massachusetts, Rhode Island, New Hampshire or Maine and to any other facility owned or operated by Respondent

which had any business or other contractual relationship with Whitney Barrel Company. Please note that it is not necessary to identify or provide information about any facilities that are engaged solely in clerical/office work.

a. Addresses of Respondent's Operating Location(s)

**Response:**

George A. Goulston Company  
1000 Crescent Boulevard  
Scituate, MA 02066

b. Description of Respondent's Operations

i. date operations commenced and concluded

**Response:** 1937-1991

ii. types of work.

**Response:** manufacturer of fiber lubricants

iii. type of products handled

**Response:** mineral oils and surfactants

c. Enclosure F Constituents Managed at Respondent's Locations

**Response:** no information available

d. Changes in Operations

**Response:** no information available

e. Product List

**Response:** See Attachment 3

f. Raw Materials Used

**Response:** no information available

g. Maintenance

i. material used

**Response:** no information available

ii. monthly or annual quantity of each material used

**Response:** no information available

h. Spill Response

i. materials spilled in operations

**Response:** no information available

ii. materials used to clean up spills

**Response:** no information available

iii. cleanup methods

**Response:** no information available

- iv. management of cleanup residue

**Response:** no information available

- i. Schematic Diagram of Operations

**Response:** no information available

- j. Knowledgeable Persons

**Response:** no information available

4. Respondent's Wastes

NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.

- a. Waste Survey

See Attachment 4.

- b. Waste Characteristics

- i. physical state

**Response:** no additional information

- ii. name and chemical composition

**Response:** no additional information

- iii. monthly and annual waste volumes

**Response:** no additional information

- iv. dates of waste management

**Response:** no additional information

- c. Waste Management

- i. container type

**Response:** no additional information

- ii. container colors

**Response:** no additional information

- iii. container markings

**Response:** no additional information

- iv. container labels or writing

**Response:** no additional information

- v. new v. used container

**Response:** no additional information

- vi. waste management locations

**Response:** no additional information

- vii. prior container use - where applicable

**Response:** no additional information

d. Individuals with Waste Management Responsibility

**Response:** no additional information

e. Waste Management Records

**Response:** no additional information

f. Persons with Waste Management Knowledge

**Response:** no additional information

5. Respondent's Disposal/Treatment/Storage/Recycling/Sale of Waste (including By-Products):

NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.

ALSO NOTE: Your response to questions in this section must refer to all locations to which Respondent sent its wastes.

a. Individuals with Waste Management Responsibility

**Response:** no information available

f. Other Reporting Programs

**Response:** no information available

g. Offices to Which Other Program Information Sent

**Response:** no information available

7. Respondent's Association with Whitney Barrel Company

Period of Investigation: 1950 - 1985

Person Providing Information: [former employee] see Attachment 6 - PRIVACY MATERIAL

a. Business Association

**Response:** George A. Goulston Company purchased approximately two truckloads of clean reconditioned drums (140-160 total drums) from Whitney Barrel Company.

b. Purchase of Drums/Containers

**Response:** Yes.

i. dates of each pickup and delivery:

**Response:** late 1950s or early 1960s

ii. container type

**Response:** drums

iii. container size

**Response:** 55 gallon

iv. container condition

**Response:** good

v. container contents

(a) the name of each material:

**Response:** none (empty)

(b) the chemical composition of each material:

**Response:** not applicable

(c) the physical state of each material (e.g., solid, sludge, liquid):

**Response:** not applicable

(d) the volume of each material:

**Response:** not applicable

vi. documentation relating to these transactions:

**Response:** none available

c. Shipments to Whitney Barrel

**Response:** yes

i. pickup and delivery dates

**Response:** shipment dates: 1/02/80, 4/18/80, 6/13/80, 8/22/80, 10/31/80, 12/29/80, 2/10/81, 4/22/81, 6/26/81, 7/16/81, 8/04/81, 10/09/81, 12/17/81, 2/19/82, 7/01/82, 7/19/82, 5/16/83

ii. container type

**Response:** drums

iii. container size

**Response:** no information available

iv. container condition

**Response:** used

v. container contents

(a) name

**Response:** (none) empty

(b) chemical composition

**Response:** not applicable

(c) physical state (e.g., solid, sludge, liquid)

**Response:** not applicable

(d) volume

**Response:** not applicable

vi. documentation

**Response:** See Attachments 3 (list of products) and 5 (summary of shipments to Whitney Barrel). The summary is based on the information found in Attachment 3.

d. Cleaning/Reconditioning of Containers

i. period

**Response:** no information available

ii. container type

**Response:** no information available

iii. container size

**Response:** no information available

iv. container condition

**Response:** no information available

v. container contents

(a) name

**Response:** no information available

(b) chemical composition

**Response:** no information available

(c) physical state (e.g., solid, sludge, liquid)

**Response:** no information available

(d) volume

**Response:** no information available

**Response:** used

v. container contents

(a) name

**Response:** (none) empty

(b) chemical composition

**Response:** not applicable

(c) physical state (e.g., solid, sludge, liquid)

**Response:** not applicable

(d) volume

**Response:** not applicable

vi. documentation

**Response:** See Attachment 5 - summary of shipments to Whitney Barrel.

i. Knowledgeable Persons

**Response:** former employee - see Attachment 6 - PRIVACY MATERIAL

8. Information about Others

Period of Investigation: 1950 - 1985

**Response:** none

9. Compliance with Request

Period of Investigation: 1950 - 1985

a. Sources of Information

i. Individuals Providing Information

**Response:** See responses to sections 1 and 7 above.

ii. Job Title and Description

**Response:**

Alan Gold

- Vice president - finance
- manages accounting, information systems and HR functions for Goulston Technologies, Inc.

Veronica McKinney

- health safety and environmental manager
- manages safety, health and environmental programs for Goulston Technologies, Inc.

Mike Newsome

- accounting manager
- manages accounting functions for Goulston Technologies, Inc.

Former employee - see Attachment 6 - PRIVACY MATERIAL

iii. Prior Job Titles and Descriptions

**Response:**

Alan Gold - none

Veronica McKinney - Environmental & Safety Specialist

Mike Newsome - none

iv. Employment Status

Alan Gold - current employee

Veronica McKinney - current employee

Mike Newsome - current employee

v. Names of Offices Where Records Reviewed

**Response:**

Goulston Technologies  
700 North Johnson Street  
Monroe, NC 28110

vi. Nature of Records Reviewed

**Response:**

Sales Analyses - prior/current location – Accounting department in file storage area - Monroe office.

Acquisition Agreement - prior/current location – Accounting department in file storage area - Monroe office.

Waste Files – prior location –downstairs HSE files - Monroe office. Current location- HSE files in HSE Manager's office - Monroe office.

vii. Location of Records Prior to Review

**Response:** Some records may have been located previously in Scituate, Massachusetts.

viii. Current Location of Records

**Response:** no change from when reviewed

## GOULSTON TECHNOLOGIES, INC.

THE LEADER IN FIBER LUBRICANT TECHNOLOGY

February 19, 2004

Mr. Ethan S. Naftalin  
Hunton & Williams LLP  
One Hannover Square  
Suite 1400  
Raleigh, NC 27601

Dear Mr. Naftalin:

As you requested, we are providing the following information to enable you to respond to EPA Information Request (MAD 980732168, Wells G & H, Woburn, MA).

Goulston Massachusetts was organized in Massachusetts on August 13, 1937. Goulston North Carolina was organized on September 27, 1956. Please note that Goulston North Carolina did not move to its Monroe location until 1969.

Goulston Delaware was organized in Delaware on January 27, 1988 by Takemoto Oil & Fat Co., Ltd. On February 29, 1998, Goulston Delaware acquired the stock of Goulston Massachusetts and Goulston North Carolina and simultaneously changed its name to George A. Goulston Co., Inc. At around 1995, George A. Goulston Company, Inc. changed its name to Goulston Technologies.

Please note that the Acquisition Agreement documenting Takemoto's purchase of Goulston is located in Goulston's Accounting Department and is over three inches thick. In lieu of sending that entire volume, I am providing you with copies of the memorandum of closing and table of contents to assist you in answering the EPA inquiry. If you need additional documents in this volume, please let me know.

We hope that this information is sufficient to facilitate the response. Please feel free to contact me if you have further questions or need additional documentation.

Sincerely,

GOULSTON TECHNOLOGIES, INC.

  
Alan J. Gold  
Vice President - Finance

Waste Survey and April 23, 1983 Commonwealth Notice

*The Commonwealth of Massachusetts*  
*Executive Office of Environmental Affairs*  
*Department of Environmental Quality Engineering*

ANTHONY D. CORTESE Sc. D  
 Commissioner

PAUL T. ANDERSON  
 Regional Environmental Engineer

*Southeast Region*

*Lakeville Hospital, Lakeville, Massachusetts 02346*

*947-1231, Ext. 680-684*

April 21, 1983

George A. Goulston Co.  
 1000 Crescent Blvd.  
 Scituate, Massachusetts 02066

RE: SCITUATE--Hazardous Waste--  
 George A. Goulston Co.,  
 1000 Crescent Blvd., Scituate,  
 RCRA Inspection, Site ID #MAD066619214

ATTENTION: Arnold Goulston  
 Executive Vice President

Gentlemen:

The Department of Environmental Quality Engineering, on April 8, 1983, inspected your facility located at 1000 Crescent Blvd., Scituate, Massachusetts. The purpose of this inspection was to determine the status of your facility relative to compliance with the Hazardous Waste Regulations contained in 310 CMR 30.000 and 40 CFR 260-265.

The inspection revealed that the George Goulston Co. does not generate a hazardous waste.

Please be advised that no person who generates or otherwise comes into possession of hazardous waste shall transfer custody or possession of such waste to any person who does not have a valid hazardous waste license and that a properly prepared manifest must accompany such waste.

If you have any questions, please contact Andrea Sewall of this office.

Very truly yours,

For the Commissioner

Robert E. Donovan,  
 Deputy Regional Environmental Engineer

D/AS/pd

cc; Kenneth M. Bates  
 Hazardous Waste Coordinator  
 Dept. of Public Works  
 161 Driftway  
 Scituate, Mass. 02066

~~We have no information of wastes generated.~~ See attached letter from the Department of Environmental Quality Engineering dated April 8, 1983.

### ENCLOSURE E-WASTE SURVEY

Name of Respondent: Goulston Technologies, Inc. Respondent's Location: Monroe, NC Date: 2/19/04

	Substance	Physical State when Disposed/Type of Container (e.g. Liquid/5 gal pails, Sludge/55 gal drums, Solid/directly in dumpster.)	Trade Name/Chemical Composition (e.g. Nitric acid/HNO <sub>3</sub> , Tetrahydrofuran/C <sub>4</sub> H <sub>8</sub> O.)	Volume (per month)	Disposal Method and Location (year) (e.g. dumpster('55-68), [Name] Landfill('69-81), [Name] Solvent Reclaimer('82-'91).
	Acids				
	Adhesives				
	Asbestos				
	Adsorbents (from spills, leaks, etc.)				
	Automotive Related Wastes:				
	Antifreeze				
	Batteries				
	Brake Fluids				
	Degreasers				
	Lubricants				
	Oils

Title [if any]

**WELLS G & H**  
**ENCLOSURE A - INFORMATION REQUEST QUESTIONS**

\*\*\*\*\*

\*  
\* Period Being Investigated: 1950 to 1985 \*  
\*

\*\*\*\*\*

In addition to the questions which follow in this enclosure (Enclosure A), this letter includes detailed Instructions for responding to this request (Enclosure B), Definitions of words such as "Respondent," "identify," and "waste" used in the questions (Enclosure C), a Site Description (Enclosure D), Waste Survey (Enclosure E), Constituent List (Enclosure F), Map (Enclosure G) and a Declaration (Enclosure H). These enclosures appear at the end of the questions; please refer to them in answering all questions. Of particular importance:

- Answer each question with respect to the period being investigated (noted above) unless the question indicates otherwise.
- Answer all questions completely in accordance with the definitions and instructions.
- For each question, identify all persons and documents consulted in the preparation of the answer and provide copies of all those documents.
- All information provided for which you are making a claim of business confidentiality should be contained on separate sheets and clearly marked as CONFIDENTIAL.
- All personal information, the release of which would constitute an unwarranted invasion of privacy, should be contained on separate sheets and clearly marked as PRIVACY MATERIAL.
- This request imposes a continuing obligation upon you to submit responsive information discovered after your original response is submitted to EPA.
- Complete the enclosed declaration (Enclosure H).

The Site: For the purposes of this Information Request letter, as set forth in the Definitions of Enclosure C (Item 7), Site shall refer to the Wells G & H Superfund site in Woburn, MA.

## QUESTIONS

### 1. General Information About Respondent

**NOTE: All questions in this section refer to the present time unless otherwise indicated.**

- a. Provide the full legal name and mailing address of the Respondent.
- b. For each person answering these questions on behalf of Respondent, provide:
  - i. full name;
  - ii. title;
  - iii. business address; and
  - iv. business telephone number.
- c. If Respondent wishes to designate an individual for all future correspondence concerning this Site, including any legal notices, please so indicate here by providing that individual's name, address, and telephone number.
- d. Provide the names of all Superfund sites in Region I (New England) for which Respondent has received a 104(e) Request for Information Letter from EPA.

### 2. Respondent's Legal Status

**NOTE: All questions in this section refer to the present time unless otherwise indicated.**

- a. If the Respondent has ever done business under any other name;
  - i. list each such name; and
  - ii. list the dates during which such name was used by Respondent.
- b. If Respondent is a corporation, provide:
  - i. the date of incorporation;
  - ii. state of incorporation; and
  - iii. agent for service of process.
- c. If Respondent was a business entity other than a corporation, provide:
  - i. the type of organization (sole proprietorship, partnership, trust, etc.)

- ii. the date the business began; and
- iii. owner, managing partner, or other equivalent person in charge.

d. If Respondent is, or was at any time during the period being investigated, a subsidiary of, otherwise owned or controlled by, or otherwise affiliated with another corporation or entity, then describe the nature of each such corporate relationship, including but not limited to:

- i. a general statement of the nature of the relationship;
- ii. the dates such relationship existed;
- iii. the percentage of ownership of Respondent that is held by such other entity; and
- iv. for each such affiliated entity provide the names and complete addresses of its parent, subsidiary, and otherwise affiliated entities.

e. Identify all of Respondent's predecessors-in-interest and provide a description of the relationship between Respondent and each of those predecessors-in-interest.

f. If Respondent no longer exists as the same legal entity it was during the period being investigated because of transactions involving asset purchases or mergers, provide:

- i. the titles and dates of the transactions and copies of documents that embody the terms of such transactions (i.e., purchase agreements, merger and dissolution agreements, etc.);
- ii. the identities of the seller, buyer, and any other parties to such transactions;
- iii. a brief statement describing the nature of the asset purchases or mergers; and
- iv. a brief statement describing and copy(s) of documents embodying any/all indemnification agreements.

g. If Respondent has filed for bankruptcy, provide:

- i. the U.S. Bankruptcy Court in which the petition was filed;
- ii. the docket numbers of such petition;
- iii. the date the bankruptcy petition was filed;
- iv. whether the petition is under Chapter 7 (liquidation), Chapter 11 (reorganization), or other provision; and
- v. a brief description of the current status of the petition.

### 3. Respondent's Operations

**NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.**

**ALSO NOTE: All questions in this Section refer to facilities owned or operated by the Respondent within Massachusetts, Rhode Island, New Hampshire or Maine and to any other facility owned or operated by Respondent which had any business**

or other contractual relationship with Whitney Barrel Company. **Please note that it is not necessary to identify or provide information about any facilities that are engaged solely in clerical/office work.**

a. Provide the complete addresses of Respondent's plants and other buildings or structures where Respondent carried out its operations.

b. Provide a brief description of the nature of Respondent's operations at each location including:

- i. the date such operations commenced and concluded;
- ii. the types of work performed at each location, including but not limited to the industrial, chemical, or institutional processes undertaken at each location; and
- iii. the type of products manufactured, recycled, recovered, treated or otherwise processed in these operations.

c. Enclosure F provides a list of chemical constituents conclusively identified to date at the Site. For each facility identified in 3.a above, identify, to the best of your knowledge, any chemical constituents listed in Enclosure F that:

- i. would have been produced, processed, or used in connection with facility operations; or
- ii. would have been present in materials produced, processed, or used in connection with facility operations.

d. If the nature or size of Respondent's operations changed over time, describe those changes, the dates they occurred, and the nature of the current business at each such location, including but not limited to a brief description of the major products or services Respondent manufactures or provides.

e. List the products Respondent manufactured, recycled, recovered, treated, or otherwise processed in these operations.

f. In general terms, list the types of raw materials used in the operations.

g. Describe the cleaning and maintenance of the equipment and machinery involved in these operations, including but not limited to:

- i. the types of material used to clean/maintain this equipment/machinery; and
- ii. the monthly or annual quantity of each material used.

h. Describe the methods used to clean up spills of liquid or solid material during operations, including but not limited to:

- i. the type of materials spilled in operations;

- ii. the materials used to clean up these spills;
  - iii. the methods used to clean up those spills; and
  - iv. where the materials used to clean up those spills were disposed of.
- i. Provide a schematic diagram or flow chart that fully describes and/or illustrates the operations at the Site.
- j. Identify all former or current employees and all other persons who have any knowledge of or information about the subject matter of any of the foregoing questions or who had any contact with Whitney Barrel Company.

4. Respondent's Wastes and Waste Streams (including By-Products)

**NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.**

- a. Complete the enclosed "Waste Survey " checking each substance present in Respondent's wastes or by-products and providing all requested information for each such substance that is checked.
- b. For each type of waste (including by-products) from Respondent's operations, including but not limited to all liquids, sludges, and solids, provide the following information:
  - i. its physical state;
  - ii. its name and chemical composition;
  - iii. the approximate monthly and annual volumes of each type of waste (using such measurements as gallons, cubic yards, pounds, etc.); and
  - iv. the dates (beginning & ending) during which each type of waste was produced by Respondent's operations.
- c. Describe how each type of waste was collected and stored at Respondent's operation prior to disposal/recycling/sale/transport, including:
  - i. the type of container (e.g. 55 gal. drum, tank, dumpster, etc.);
  - ii. the colors of the containers;
  - iii. any distinctive stripes or other markings on those containers;
  - iv. any labels or writing on those containers (including the content of those labels);
  - v. whether those containers were new or used;
  - vi. where each type of waste was collected/stored. and
  - vii. if those containers were used, a description of the prior use of the containers.
- d. Identify (see Definitions) the person(s) who was responsible for collecting and managing each type of waste.

e. For each location, identify and provide copies of all surveys or studies conducted between 1950 and 1985 about its waste management practices including but not limited to disposal, treatment, storage, recycling, or sale of wastes.

f. Identify all former or current employees and all other persons who have any knowledge of or information about the subject matter of any of the foregoing questions or who had contact with Whitney Barrel Company.

5. Respondent's Disposal/Treatment/Storage/Recycling/Sale of Waste (including By-Products):

**NOTE: All questions in this section refer to the period being investigated (1950-1985) unless otherwise indicated.**

**ALSO NOTE: Your response to questions in this section must refer to all locations to which Respondent sent its wastes.**

a. Identify (see Definitions) all individuals who currently have and those who have had responsibility for the disposal, treatment, storage, recycling, or sale of Respondent's wastes, including, but not limited to barrels or empty barrels.

b. Identify (see Definitions) all individuals who currently have and those who have had knowledge of the disposal, treatment, storage, recycling, or sale of Respondent's wastes, including, but not limited to barrels or empty barrels.

c. Identify (see Definitions) all individuals who currently have and those who have had responsibility for Respondent's environmental matters.

d. For the previous three responses, also provide each individual's:

- i. job title;
- ii. duties;
- iii. dates performing those duties;
- iv. supervisors for those duties;
- v. current position or, if such individual is no longer employed by Respondent, the date of the individual's resignation; and
- vi. the nature of the information possessed by such individuals concerning Respondent's waste management.

e. Describe the containers used to take each type of waste from Respondent's operation, including but not limited to:

- i. the type of container (e.g. 55 gal. drum, tank, dumpster, etc.);
- ii. the colors of the containers;

- iii. any distinctive stripes or other markings on those containers;
  - iv. any labels or writing on those containers (including the content of those labels);
  - v. whether those containers were new or used; and
  - vi. if those containers were used, a description of the prior use of the containers.
- f. For each type of waste describe Respondent's contracts, agreements, or other arrangements for its disposal, treatment, or recycling.
- g. Provide copies of such contracts and other documents reflecting such agreements or arrangements.
- h. State where Respondent sent each type of its waste, including barrels and empty barrels, for disposal, treatment, or recycling.
- i. Identify (see Definitions) all entities and individuals who picked up waste, including barrels, from Respondent or who otherwise transported the waste away from Respondent's operations (these companies and individuals shall be called "Waste Carriers" for purposes of this Information Request).
- j. If Respondent transported any of its wastes away from its operations, please so indicate and answer all questions related to "Waste Carriers" with reference to Respondent's actions.
- k. For each type of waste specify which Waste Carrier picked it up.
- l. For each type of waste, state how frequently each Waste Carrier picked up such waste.
- m. For each type of waste state the volume picked up by each Waste Carrier (per week, month, or year).
- n. For each type of waste state the dates (beginning & ending) such waste was picked up by each Waste Carrier.
- o. Provide copies of all documents containing information responsive to the previous seven questions.
- p. Identify (see Definitions) all of each Waste Carrier's employees who collected Respondent's wastes and waste containers.
- q. Indicate the ultimate disposal/recycling/treatment location for each type of waste.
- r. Provide copies of all documents indicating the ultimate disposal/recycling/treatment location for each type of waste.
- s. Describe how Respondent managed pickups of each waste, including but not

limited to:

- i. the method for inventorying each type of waste;
  - ii. the method for requesting each type of waste to be picked up;
  - iii. the identity of (see Definitions) the waste carrier employee/agent contacted for pickup of each type of waste;
  - iv. the amount paid or the rate paid for the pickup of each type of waste;
  - v. the identity of (see Definitions) Respondent's employee who paid the bills; and
  - vi. the identity of (see Definitions) the individual (name or title) and company to whom Respondent sent the payment for pickup of each type of waste.
- t. Identify (see Definitions) the individual or organization (i.e., the Respondent, the Waste Carrier, or, if neither, identify such other person) who selected the location where each of the Respondent's wastes were taken.
- u. State the basis for and provide any documents supporting the answer to the previous question.
- v. Identify all former or current employees and all other persons who have any knowledge of or information about the subject matter of any of the foregoing questions.

6. Respondent's Environmental Reporting:

**NOTE: All questions in this section refer to the period being investigated (1950-1985).**

- a. Provide all Resource Conservation and Recovery Act (RCRA) Identification Numbers issued to Respondent by EPA or a state for Respondent's operations.
- b. Identify (see Definitions) all federal offices to which Respondent has sent or filed hazardous substance or hazardous waste information.
- c. State the years during which such information was sent/filed.
- d. Identify (see Definitions) all state offices to which Respondent has sent or filed hazardous substance or hazardous waste information.
- e. State the years during which such information was sent/filed.
- f. List all federal and state environmental laws and regulations under which Respondent has reported to federal or state governments, including but not limited to: Toxic Substances Control Act, 15 U.S.C. §§ 2601 et seq., (TSCA); Emergency Planning and Community Right-to-Know Act, 42 U.S.C. §§ 1101 et seq., (EPCRA); and the Clean Water Act (the

Water Pollution Prevention and Control Act), 33 U.S.C. §§ 1251 et seq. and equivalent state law.

g. Identify (see Definitions) the federal and state offices to which such information was sent. Provide the full legal name and mailing address of the Respondent.

7. Information Concerning Respondent's Association with the Whitney Barrel Company

**NOTE: All questions in this section refer to the period being investigated (1950-1985).**

a. Please describe Respondent's business association with the Whitney Barrel Company.

b. Did your association with the Whitney Barrel Company involve the buying of drums or other size/type of containers? Unless your answer is an absolute "No", please explain. Include but do not limit your response to:

- i. the dates of each pickup and delivery;
- ii. the type(s) of container(s);
- iii. the size(s) of the container(s);
- iv. the condition of each container(s);
- v. the contents (including but not limited to empty barrel residues) of each container including
  - (a) the name of each material;
  - (b) the chemical composition of each material;
  - (c) the physical state of each material (e.g., solid, sludge, liquid);
  - (d) the volume of each material; and
- vi. please include all documentation relating to these transactions.

c. Did your association with the Whitney Barrel Company involve the shipping, transport or selling of drums or other size/type of containers? Unless your answer is an absolute "No", please explain. Include but do not limit response to:

- i. the dates of each pickup and delivery;
- ii. the type(s) of container(s);
- iii. the size(s) of the container(s);
- iv. the condition of each container(s);
- v. the contents (including but not limited to empty barrel residues) of each container including
  - (a) the name of each material;
  - (b) the chemical composition of each material;
  - (c) the physical state of each material (e.g., solid, sludge, liquid);
  - (d) the volume of each material; and
- vi. please include all documentation relating to these transactions.

d. Did your association with the Whitney Barrel Company involve the cleaning and/or reconditioning of drums or other size/type of containers? Unless your answer is an absolute "No", please explain. Include but do not limit response to:

- i. the dates of each pickup and delivery;
- ii. the type(s) of container(s);
- iii. the size(s) of the container(s);
- iv. the condition of each container(s);
- v. the contents (including but not limited to empty barrel residues) of each container including
  - (a) the name of each material;
  - (b) the chemical composition of each material;
  - (c) the physical state of each material (e.g., solid, sludge, liquid);
  - (d) the volume of each material; and
- vi. please include all documentation relating to these transactions.

e. Did the Whitney Barrel Company ever perform any other service for you or your company? Unless an absolute "No", please explain. Include but do not limit your response to:

- i. the type of service(s);
- ii. the frequency of the service(s);
- iii. the date(s) of service(s); and
- iv. please include any documentation relating to these transactions.

f. Did Respondent ever pick up materials from other parties which were taken directly or indirectly to the Whitney Barrel Company (to be referred to as "customers" for purposes of this Information Request)? Unless your answer is an absolute "No", please explain.

g. Identify (see Definitions) all persons and entities from whom Respondent picked up materials which were taken directly or indirectly to the Whitney Barrel Company.

h. In addition to providing a list that identifies all such customers, provide for each pickup and delivery of materials to the Whitney Barrel Company:

- i. the dates of each pickup and delivery;
- ii. the type of container(s);
- iii. the size of the container(s);
- iv. the condition of each container(s);
- v. for each customer's materials taken to the Whitney Barrel Company describe:
  - (a) the nature of each material;
  - (b) the chemical composition of each material;
  - (c) the physical state of each material(e.g.,solid, liquid);
  - (d) the volume of each material; and
- vi. please include all documentation relating to your pickup and delivery of

materials to the Whitney Barrel Company

i. Identify (see Definitions) all former or current employees and all other persons who have any knowledge of or information about the subject matter of any of the foregoing questions or who had contact with Whitney Barrel Company.

8. Information About Others

a. If you have information concerning the operation of the Site or the source, content or quantity of materials placed/disposed at the Site which is not included in the information you have already provided, provide all such information.

b. If not already included in your response, if you have reason to believe that there may be persons, including persons currently or formerly employed by Respondent, who are able to provide a more detailed or complete response to any of these questions or who may be able to provide additional responsive documents, identify such persons and the additional information or documents that they may have.

c. If not already provided, identify all persons, including Respondent's current and former employees, who have knowledge or information about the generation, use, purchase, treatment, storage, disposal, placement or other handling of materials at, or transportation of materials to, the Site.

9. Compliance with This Request

a. Describe all sources reviewed or consulted in responding to this request, including but not limited to:

- i. the names of all individuals consulted;
- ii. the current job title and job description of each individual consulted;
- iii. the job title and job description during the period being investigated of each individual consulted;
- iv. whether each individual consulted is a current or past employee of Respondent;
- v. the names of all divisions or offices of Respondent for which records were reviewed;
- vi. the nature of all documents reviewed; and
- vii. the locations where those documents reviewed were kept prior to review; and
- viii. the location where those documents reviewed are currently kept.
